Registered Nurse

Oxnard, California

Seneca Family of Agencies is dedicated to providing unconditional care for over 18,000 vulnerable youth and families each year.

We are proud to introduce a **groundbreaking new crisis program** in Ventura County! This includes crisis stabilization services and short-term acute residential treatment for youth, as well as transition and planning services to return youth to a setting in the community with stability.

The **Nurse** provides quality clinical care, including physical assessments and medical triage examinations. The **Nurse** plans, implements, and evaluates nursing interventions, working as a member of a multidisciplinary team.

Valid California Registered Nurse License required. Associate's in Nursing required; BSN a plus. Psychiatric Nursing experience a plus. Fingerprint clearances required.

Relocation assistance may be available!

Seneca is committed to providing an equitable, fair and inclusive work environment.
We are proud to be an Equal Opportunity Employer.

"I am intrigued by the Crisis Mental Health Nursing work that I do at Seneca and I enjoy working with all the Seneca Staff. It takes a very special person to work for Seneca! I also like that I get direct supervision on a weekly basis and our Seneca Management team is very supportive."
