Additional CSU credit may be awarded for demonstration of prior learning as operationalized through passing the NCLEX –RN examination. Examination is taken upon completion of ADN program at Moorpark College.

Moorpark College and CSU Channel Islands

ADN to BSN Roadmap

Completion of an Associate of Science Degree in Nursing (ADN) does not guarantee admission to a CSU campus. It is recommended that students complete the CSU General Education pattern to fulfill the general education requirements for the Associate's Degree in Nursing.

To meet requirements for any CSUCI baccalaureate degree a student must complete two courses in **American Institutions**: (1) an approved American/U.S. History course AND (2) an approved U.S. Constitution/CA State & Local Government course. Recommend completing both at Moorpark College prior to transfer to CSUCI. Units count toward BSN in CSUCI GE Area D. CSUCI Graduation requirements also include 1) **language requirement** (refer to the CSUCI catalog for specific information); 2) complete **one multicultural perspectives course** (recommend completing ANTH 203 at Moorpark College prior to transfer to CSUCI).

Students enrolled in the ADN program at Moorpark College may concurrently enroll in the bridge RN-BSN program CSUCI after they have successfully completed the 1st semester of the ADN program. Students are enrolled into the bridge program only in summer.

An overall GPA of 2.0 is required. All nursing courses must be passed with a grade of "C" or better.
